HEMOCARE

“It’s beginning to look a lot like Christmas...everywhere you go.” You might have been hearing that since October on the radio if you listen to 101.1FM. It did seem rather odd to hear those words as pumpkins and straw bales filled the air. So what do you make of that strange phenomenon? I looked online for some kind of explanation on the early Christmas tunes being aired. The only thing I found were other confused and perplexed people asking the same question-what is 101.1 up to? Some people were down right angry, demanding to know why in the world anyone would want to listen to Christmas music when it’s 85 degrees outside? There were no answers, just questions. Sort of how it is with God sometimes. Especially when the unexpected strikes, when bad things happen, when we lose money from our savings, when sickness arrives. And we ask God, why? Why is this happening? Where are you Lord? And then...there is a star shining bright in the sky. And there is a stable, filled with hay and animals and Mary and Joseph and a baby. Wise men arrive bearing gifts. The reason for the season. Christmas is here, Christ is born. Maybe we need to hear those Christmas tunes in October after all.

I hope and pray that this year more than ever before, as our country and possibly your family faces unforeseen struggles, the tiny Christ child fills your home and heart with warmth, faith, hope, and trust.

Merry Christmas and Happy New Year from Christian Community Homecare

Why Jesus is Better Than Santa Claus

A light hearted comparison

Santa lives at the North Pole...

JESUS is everywhere.

Santa rides in a sleigh...

JESUS rides on the wind and walks on the water.

Santa comes but once a year...

JESUS is an ever present help.

Santa fills your stockings with goodies...

JESUS supplies all your needs.

Santa comes down your chimney ...

JESUS stands at your door and knocks, and then enters your heart when invited.

You have to wait in line to see Santa...

JESUS is as close as the mention of His name.

Santa lets you sit on his lap...

JESUS lets you rest in His arms.

Santa has a belly like a bowl full of jelly...

JESUS has a heart full of love

Santa doesn't know your name, he says "Hi little boy or girl, what's your name?"...

JESUS knew our name before we were born. Not only does He know our name, He knows our address too. He knows our history and future and He even knows how many hairs are on our heads.

Santa says "You better not cry"...

JESUS says "Cast all your cares on me for I care for you."

Santa's little helpers make toys...

JESUS makes new life, mends wounded hearts, repairs broken homes and builds mansions.

Santa may make you chuckle but...

JESUS gives you joy that is your strength.

While Santa puts gifts under your tree...

JESUS became our gift and died on a tree...the cross.

"For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life" (John 3:16).
