NOVEMBER/DECEMBER

Can you believe the holidays are just around the corner? How does it always happen so fast? I actually remember that last year I bought some decorations on sale after Christmas so am anxious to see what I have.

### Dates to remember:

**October 28-November 5:** I am gone on vacation to spend Halloween with son's family in Florida. Sandy Freeman will be in office.

**Thanksgiving:** I will be out of town Nov. 23-Nov. 26. Sandy will cover during that time.

**Dec. 19-24.** I will be out of the office. Sandy Freeman will cover.

**Holidays:** Plan ahead for holiday schedule. Let your caregiver know if you need her on the holiday.

HAPPY THANKSGIVING!

MERRY CHRISTMAS!

Chris
